**Due to Omnicron Covid-19 Variant Concerns,
the 2nd Annual Calaveras Arts and Music Awards, Scheduled for
Saturday, January 15, 2022, Announces Event Modifications**

January 6, 2022: Copperopolis, California - Due to Omnicron Covid-19 Variant concerns, the producers of the 2nd Annual Calaveras Arts and Music Awards (The CAMMIES), scheduled for Saturday, January 15, 2022, announce the following event modifications, the most important of which is the CAMMIE Awards is now a by-invitation-only event.

While the CAMMIE Awards recognizes and honors the artistic and cultural contributions made to the tri-county **Calaveras, Amador and Tuolumne** community by the region's best **Artists, Musicians, Bands, Performing Arts Groups and Producers**, the health and well-being of the nominees, attendees, production crew, and community remains the overriding concern of the producers; CreativeCopperopolis.com and EventCity.net.

It was not an option to postpone the CAMMIE AWARDS, again, as the producers wanted to ensure some form of ceremony would continue so the creative community would be respectfully honored and recognized without additional delays.

Therefore, the producers have implemented the following changes to the 2nd Annual CAMMIE Award Ceremony:

- The CAMMIES awards presentation will take place from 7 pm to 10 pm as LIVE web streaming video and internet radio simulcasts on www.copperopolis.rocks and other internet outlets.
- Cut from the production are the 3 pm to 5 pm pre-Awards segment, the 5:30 pm to 6:30 pm dinner, and the 10 pm afterparty.
- The live audience will be scaled back to only those by-invitation-only award recipients and their guests wishing to attend.
- Award recipients who cannot attend will receive acknowledgements, accolades and their award during the live broadcast. Those recipients not attending will be able to pick up their award at a later date.
- Eventbrite ticket sales have been suspended. Those who have purchased tickets will receive an automatic refund.
- Vaccinations, test results, masks, etc. We simply and humbly request that you abide by Calaveras County and CAMMIE Awards producer requests and/or policies by making the decision to participate based on your own personal health and well-being. If you plan on attending, please be fully vaccinated or ensure you're negative for Covid-19.

The CAMMIE Awards is co-produced by now Copperopolis resident and former Bay Area music industry executive Richard Varrasso of [Creative Copperopolis](#) and Nolan Apostle of [EventCity.net](#), both of whom are longtime music and entertainment industry veterans.

The CAMMIE Awards Presentation is sponsored by **Creative Copperopolis**, **The Murphys School of Music**, [Cal.Net](#), [EventCity.net](#), and **Hawaiian Springs Water**.

Please submit nomination recommendations to richard@varrasso.com
